## Supplement Facts

Serving Size: Two (2) Chewable Wafers

Servings Per Container: 30

| Amount Per Serving                                                                                                           | % Daily Value   |       |
|------------------------------------------------------------------------------------------------------------------------------|-----------------|-------|
| Vitamin A (as Beta Carotene)                                                                                                 | 3,000 mcg       | 333%  |
| Vitamin C (as Ascorbic Acid)                                                                                                 | 300 mg          | 333%  |
| Vitamin D3 (as Cholecalciferol†)                                                                                             | 20 mcg (800 IU) | 100%  |
| Vitamin E (as d-alpha Tocopherol Succinate)                                                                                  | 134 mg          | 893%  |
| Thiamin (as Thiamin Hydrochloride)                                                                                           | 30 mg           | 2500% |
| Riboflavin                                                                                                                   | 30 mg           | 2308% |
| Niacin (as Niacin)                                                                                                           | 20 mg           | 125%  |
| Vitamin B6 (as Pyridoxine Hydrochloride)                                                                                     | 30 mg           | 1765% |
| Folate (as [6S]-5-methyltetrahydrofolic acid equivalent to 400 mcg of [6S]-5-methyltetrahydrofolic acid, glucosamine salt**) | 200 mcg DFE     | 50%   |
| Vitamin B12 (as Cyanocobalamin)                                                                                              | 30 mcg          | 1250% |
| Biotin                                                                                                                       | 40 mcg          | 133%  |
| Pantothenic Acid (as d-Calcium Pantothenate)                                                                                 | 40 mg           | 800%  |
| Choline (as Choline Bitartrate)                                                                                              | 10 mg           | 2%    |
| Iodine (from Kelp)                                                                                                           | 200 mcg         | 133%  |
|                                                                                                                              |                 |       |
| Stevia Leaf Extract                                                                                                          | 34 mg           | *     |
| Inositol                                                                                                                     | 10 mg           | *     |

\*Daily Value not established.
