ECHINAMIDE®
Quick-Blast

*Soothing eucalyptus, peppermint and lemon
in a base of honey and ECHINAMIDE®*

Suggested usage: Chew and swallow 1 softchew 1–6 times per day or as directed by a health professional. Children under 10 years, take half the suggested usage. Not recommended for children under 2 years.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Quick-Blast Liquid-Gel Softchews are formulated to provide a soothing, instant minty blast. Includes eucalyptus, peppermint and lemon in a base of honey and ECHINAMIDE. ECHINAMIDE is made from hand-picked fresh *Echinacea purpurea* flower, leaves, stem and roots from our farms in Canada's Okanagan region.

The herbs are processed fresh, concentrated, then standardized for potency and kept in a liquid form as the liquid-gel softchews are made. This proprietary manufacturing process preserves the fullest spectrum of phytochemicals possible in the freshest state.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, wheat, gluten, soy, corn, egg, fish, shellfish, salt, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
