

Suggested usage: 1 capsule per day or as directed by a health professional.
Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.
CalmBiotic™ is a convenient one-a-day capsule that provides support for occasional anxiety and a healthy mood by helping maintain the microbiome and the gut-brain axis.* It also promotes immune health and normal gastrointestinal function in healthy people experiencing stress or nervousness from common life events (e.g., school, work).
Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.
Contains no artificial colors, preservatives, or sweeteners; no starch, sugar, wheat, gluten, yeast, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Suitable for vegetarians. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

No refrigeration required but will prolong strength of product.
Guaranteed minimum 3 billion CFU per capsule at expiry date.
Guaranteed minimum 15 billion CFU per capsule at manufacture date.

Enteric coating is not required for all probiotic strains. With regard to stomach acid resistance, not all strains are created equal. Natural Factors has carefully selected naturally acid-resistant strains so that they may be consumed at any time, with or without meals, and are safely delivered to the intestine unharmed. Our strains are tested for their viability in the stomach to ensure optimal absorption and efficacy.
