

Suggested usage: 1 softgel per day or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

BetaCareAll is a unique mixed carotenoid formula sourced from whole algae and sustainable palm oil providing natural sourced beta-carotene. It also provides other beneficial carotenoids such as lycopene, lutein, and zeaxanthin. Beta-carotene is converted to vitamin A in the body, which is essential to many body processes, including maintenance of healthy skin, vision, mucous membranes, bones and teeth, and immune function.* Carotenoids are antioxidants that help protect us from damage to cellular structures throughout the human body.* With today's lifestyle, it is difficult to eat enough fruits and vegetables, which makes BetaCareAll an important source of precious carotenoids.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
