

Suggested usage: 1 capsule 3 times per day, with or without meals, or as directed by a health professional. If you are taking antibiotics, wait 2 hours before ingesting probiotics.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

An imbalance in gut flora may be caused by stress, diet, travel, gastrointestinal disturbances, and medication use.* Ultimate Probiotic Women's contains a blend of only the most powerful bacteria strains that work synergistically for maximum activity and efficacy to support intestinal, vaginal, and urinary tract health.* Supporting a positive balance of microflora also helps maintain a healthy immune system and digestive strength.* A healthy intestinal flora helps to create a favorable environment for absorption of nutrients. The formula also contains CranRich® for additional urinary tract and vaginal support.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no starch, sugar, wheat, gluten, yeast, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Suitable for vegetarians. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

FOR MAXIMUM STRENGTH, REFRIGERATE.

¹Guaranteed minimum 12 billion active cells per capsule at expiry date.

²Guaranteed minimum 21 billion active cells per capsule at manufacture date.
