No. 51 Sea Klenz Apple-Prune is an exclusive scientific formulation consisting of both soluble and insoluble fiber sources. This formula contains *Plantago Ovata Blond* (Psyllium Seed Husks), a soluble fiber that may promote intestinal health by normalizing the bowel and accelerating the passage of material through the large intestine. The combination of Apple fiber, Prune powder, Rice and Oat bran make this product one you can rely on to work gently with your system. Dietary fiber has also been shown to have a positive effect on serum lipid levels. Soluble fiber and a diet low in saturated fat and cholesterol may reduce heart disease risk by lowering cholesterol. When taken before a meal, No. 51 can have an appetite-satiating effect. The Wachters' Exclusive Blend of Sea Vegetation® is the key ingredient that makes this formula unique.*
