## DESCRIPTION

Polyrhachis Ant (Black Mountain Ant) Extract is one of the premier ancient Chinese tonics with a history of use spanning 3,000 years. It has been named the "King of Herbs" and for good reason. It is a nutritionally dense superfood containing protein, vitamins, minerals and supporting a healthy immune response.\*

Our water soluble, premium grade herbal extracts, are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste.
