MAXIMUM VIBRANCE®

Contains All Known Nutrients

Directions As a dietary supplement, once each day mix two (2) scoops of Maximum Vibrance as a complete meal shake or mix one (1) scoop as a light meal into 8 to 16 ounces of water or your favorite beverage. Stir briskly or shake briefly in a closed container until mixed. For optimal results, take 30-45 minutes after a meal. If you are pregnant, planning to become pregnant, breastfeeding, taking any prescription medications and/or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. CAUTION: Contains oxygen and moisture absorbing packets. Do not consume or place packets in blender.

Proper Care and Storage Store Maximum Vibrance in your freezer (best) or refrigerator (good) after opening. Keep out of reach of children.
