

PRO PERFORMANCE® RESULTS

Numbers matter when you want to increase mass and muscle. This scientifically formulated gainer contains 1,340 nutrient-dense calories and 50 grams of high-quality protein to help you increase size and overall body strength. ** Bulk 1340 also provides 10 grams of glutamine, an important amino acid for maintaining positive immune response and muscle function to support your wellness goals.*

Branched Chain Amino Acids may help reduce muscle protein breakdown. This formula includes 11 grams of BCAA for muscle recovery and growth and creatine to help your muscles produce energy for exercise.^*

PRO PERFORMANCE® QUALITY

Bulk 1340 is tested and certified Banned Substance Free. It tastes great, mixes easily with a simple shake or blend and is fast absorbing to conveniently support maximum wellness.*

'When used in conjunction with an exercise program

roducts bearing this logo have been tested for banned substances by LGC Science. Inc., a world-class anti-doping lab. *Product was tested for over 145 banned substances on the 2018 World Anti-Doping Agency (WADA) Prohibited List via LGC skip lot testing protocol #ICP0307. See anc.com for more information.

KEEP OUT OF REACH OF CHILDREN. Store in a cool, dry place.
