Directions As a dietary supplement, once each day mix two (2) scoops of Maximum Vibrance as a complete meal shake or mix one (1) scoop as a light meal into 8 to 16 ounces of water or your favorite beverage. Stir briskly or shake briefly in a closed container until mixed. For optimal results, take 30-45 minutes after a meal. If you are pregnant, planning to become pregnant, breastfeeding, taking any prescription medications and/or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. **CAUTION: Contains oxygen and moisture absorbing packets. Do not consume or place packets in blender.**

Proper Care and Storage Store Maximum Vibrance in your freezer (best) or refrigerator (good) after opening. Keep out of reach of children.
