

Since 1972

Lutein and zeaxanthin are from marigold petals. They are macular pigments that support eye health, absorbing blue-light and preventing oxidative stress.*

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

Recommendation: Take one capsule with a meal once or twice daily.

This container was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials that are subject to color variation.
