Formulated by Mark Timon
Founder, Vibrant Health, MS Clinical Nutrition

DIRECTIONS Take 3 vegetable capsules one or two times each day or as directed by a health professional. Capsules may be taken with or between meals.

NOTE Control of blood sugar is highly individualized. Effective dosage can vary among persons.

WARNING Metabolic Vibration (MET) may improve insulin efficiency.* Diabetics on insulin should consult their doctor before taking MET, and monitor blood glucose carefully when using MET. You may need to adjust personal insulin dosages to compensate for improved utilization.

DO NOT exceed nine capsules per day except on the advice of your health professional. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medications or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Keep out of reach of children.
