COUNTRY LIFE® MAXI-SKIN®, COLLAGEN + C&A
with VERISOL® collagen improves skin through a
Tri-Layer approach.*** Our skin is composed of 3
layers: Epidermis, Dermis, and Hypodermis.

Over time the skin's essential supportive structure
starts to break down. Collagen levels decline and
elastin loses its spring causing fine lines and wrinkles
to appear on the skin's surface. As we age, our skin
has been more exposed to stressors like pollution
and UV light. We need extra help to support smooth
and supple skin. COUNTRY LIFE Maxi-Skin®,
Collagen + C&A, with Verisol® collagen that helps
stimulate natural collagen production, as well as
improves your skin's appearance and smoothness.***
