

ProEnzol® Female Balance™ provides a highly effective blend of potent herbal extracts and pHysioProtease® plus natural-source bioactive nutrients to promote a healthy balance of estrogen and progesterone activity which may help relieve the undesirable effects of perimenopause and menopause.*

DIRECTIONS: Take one (1) capsule twice daily between meals or on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
