

ProEnzol® Female Cycle™ provides a synergistic blend of potent herbal extracts, pHysioProtease® and natural-source vitamins to promote a healthy balance of female hormones and prostaglandins which may help relieve the physiological and psychological discomfort often associated with the menstrual cycle.*

DIRECTIONS: Take two (2) capsules twice daily between meals or on an empty stomach from day 14 to 28 of the menstrual cycle, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
