

ORGANIC HEMP SEED OIL

Introducing nature's most versatile oil: Health Ranger Select Organic Hemp Seed Oil. Cold-pressed from USA-grown hemp, this super oil is loaded with essential fatty acids including Omega 3, 6 and GLA. It's also lab certified and organic, so you can be confident that you're using the best materials. Use it to moisturize skin, add healthy fats to smoothies or even as a carrier oil for your favorite essential oils.

Precaution: Keep away from high temperatures to prevent denaturation of unsaturated fat. Ingest in small doses at first to confirm your body's compatibility with hemp oil.

Storage instructions: Store in a cool, dry, and dark place such as a refrigerator. Avoid exposure to heat and humidity.
