

ProEnzol® High Thyroid™ provides a restorative blend of Lemon Balm extract and bioactive nutrients plus pHysioProtease® to help counter the adverse effects of nutritional deficiencies due to excessive hormone production by an overactive thyroid.*

DIRECTIONS: Take one (1) capsule twice daily between meals or on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
