

ProEnzol® Lipase 15™ provides highly purified, non-animal derived lipase to augment the body's own enzymes in assimilating dietary fat when taken with meals, and in maintaining healthy triglyceride levels in the blood when taken between meals.*

DIRECTIONS: Take one to three (1-3) capsules at the beginning of each meal for digestive support or twice daily on an empty stomach for systemic support, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
