

All Health Ranger Select mushrooms are meticulously sourced for purity and potency and exclusively grown in the USA. Every batch is scrutinized with atomic spectroscopy laboratory testing for lead, cadmium, arsenic and mercury which are often contaminants in lower-grade mushrooms. Our limits are the most stringent in the industry, resulting in the cleanest functional mushrooms available on planet Earth.

These statements have not been evaluated by the FDA. This product is not intended to treat, cure or diagnose any disease.

Manufactured in a plant which may contain nuts (Peanuts, Tree Nuts).
