

TRUTH

We pledge total truth in labeling. Our family of products contain only the purest and most potent ingredients. **Guaranteed.**

DaVinci® Colostrum is guaranteed to yield 30% Ig (Immunoglobulins), which are antibodies found naturally in colostrum. The colostrum used in our formula is collected the first day after calving from pasture fed cows that are pesticide, antibiotic and hormone free. Our Colostrum is defatted and lactose neutralized. The drying process is at a low heat to minimize the loss of any of its beneficial properties.

This product is free of citrus, corn, gluten, rice and yeast.

Warning: If you are pregnant or nursing, consult your health care practitioner before taking this product.

Keep out of reach of children. Store in a cool, dry place.
