

ProEnzol® Probiotic 10 provides a highly-effective blend of five different probiotic strains naturally found in the human intestinal tract to support healthy digestion, nutrient absorption and intestinal microflora colonization.*

DIRECTIONS: Take one (1) capsule daily between meals or on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place, preferably under refrigeration. Keep out of reach of children.
