

ProEnzol® Prostate provides a synergistic blend of botanical extracts, bioactive minerals, and pHysioProtease® to help maintain normal prostate size and urinary function in aging men by supporting the body's management of androgenic hormones.*

DIRECTIONS: Take one (1) capsule twice daily between meals or on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
