

ProEnzol® Protein DigestEnz™ provides a blend of non-animal derived enzymes with extra Protease to assist the body's own enzymes in the digestion of high-protein foods and supplements, helping to relieve the occasional gastrointestinal discomfort associated with an inability to properly break down protein.*

DIRECTIONS: Take one (1) capsule at the beginning of any meal or snack containing protein, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
