

Clean Chlorella™

Clean Chlorella™ is the cleanest, most pure source of chlorella on the planet. It is virtually 100% free of the metals found in most other sources of chlorella because it is grown indoors, under laboratory conditions. Thus, it avoids exposure to chemtrails (aluminum), coal-fired power plants (mercury) and other airborne pollutants.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

If pregnant or under a doctor's care, consult your physician before using this product. Do not use if the safety seal is broken. Keep out of reach of children.

Manufactured in a facility which may contain nuts (peanuts, tree nuts).
