

Recommended Dosage: As a dietary supplement, mix 1 heaping teaspoonful (5 gms.) of No. 93, I.C.C. Herbal Dietary Supplement in 8 oz. of warm water or juice. Shake or stir until mixture is smooth. Drink immediately. Follow with an additional 8 oz. glass of water. For optimum results, use this product with other Wachters' supplements.

THIS PRODUCT WAS SEALED FOR YOUR PROTECTION.
DO NOT USE IF SEAL HAS BEEN TAMPERED WITH.

Keep out of reach of children.

For maximum effectiveness take with at least two 8 oz. glasses of water. If minor gas or bloating occurs, reduce the amount of No.93 until your system adjusts.

Do not use when abdominal pain, nausea or vomiting are present. Not intended for use by children, pregnant or nursing women or persons who have recently undergone surgery.

No. 93 I.C.C. is an exclusive scientific formulation consisting of herbal and natural ingredients to help support the body's intestinal environment. This formula contains Probiotic and Prebiotic that may help recolonize the friendly flora in the G.I. tract. Jerusalem Artichoke contains Inulin as the dominant group of fructooligosaccharides (FOS) present in the tuber. FOS passes through the system undigested and on reaching the lower intestine it selectively feeds the good bacteria naturally residing there, helping them to reproduce. Plantago Ovata Blond (Psyllium Seed Husks) is a soluble fiber that may promote intestinal health by normalizing the bowel and accelerating the passage of material through the large intestine. This formula contains 1 billion microorganisms from Lactobacillus Acidophilus and B. Bifidum. The Wachters' Exclusive Blend of Sea Vegetation® is the key ingredient that makes this formula unique. *
