

Suggested Use: Take 4 pumps and hold in mouth for 30 seconds before swallowing. Increase frequency of use if needed or as directed by healthcare professional. Take on an empty stomach at least 10 minutes before meals. May be stirred into a small amount of water. If pregnant consult a physician before use.

Quicksilver Delivery Systems®: Our nutraceuticals utilize modern science to unleash the power of nature. Our advanced phospholipid delivery systems nourish your cells as they deliver their core ingredients faster and more effectively than conventional supplement formats.
