Super Kids is for our parent friends who want their kids to get all the superfood nutrients that growing bodies need without the nightly "clean your plate of greens" standoff.*

Super Kids is a good source of the antioxidant Vitamin C, which can help maintain general health and wellness. In addition, Super Kids helps to support a well balanced diet so kids have the energy they need to grow and play.*

Super Kids is made from 12 dehydrated fruits, veggies, fiber-rich seeds and sprouts. Every color of the nutritional spectrum is covered: red (apple, cranberry, beetroot), green (kale, spinach and broccoli), orange (carrots), yellow (pineapple and banana) and blue (blueberries). Ground flaxseed and oat sprout powder are included for extra fiber.*

Suggested Use: Mix 1 scoop with 8 or more ounces of water, juice, or your favorite smoothie. Refrigerate after opening or store in a cool, dry place.

Warning: Consult your family healthcare practitioner before use. Use only as directed. Do not exceed recommended dose. Keep out of reach from children except under adult supervision. Not a replacement for a well balanced meal. Not intended for kids under 4 years of age.
