

A DIETARY SUPPLEMENT

CHROMIUM CRUCIFERATE™ is a scientifically-designed dietary supplement containing natural complexes of chromium, as controlled by nature, and not by man. The hydroponically-cultivated mustard greens bind trivalent chromium to bio-available phytochelatins. Also present are Isothiocyanates, Sulfurophanes and naturally occurring anti-oxidants. Chromium Cruciferate™ is free of corn, soy, yeast, wheat and common food allergens. Contains no hexavalent chromium.

This product has not been evaluated by the FDA.
This product is not intended to diagnose, cure, treat or prevent any disease.
