

KetoCaNa is excellent for ketogenic dieters who need energy but must limit carbohydrate intake. KetoCaNa may also be used by individuals who consume carbohydrates to provide an additional energy source and limit exercise induced glycogen depletion.

KetoCaNa contains 11.7 grams of the ketone body Beta-Hydroxybutyrate (BHB) per serving in a delicious orange flavored base. Consumption of KetoCaNa before exercise can result in significant decreases in oxygen demand and increases in performance. KetoCaNa may also heighten mental acuity and performance.

Dietary Ketone Supplement for Enhanced Physical & Mental Performance

Suggested Use: Dissolve one heaping scoop in 8 ounces of cold water and stir vigorously. Consume 15 minutes prior to cardio intensive exercise. May be used with carbohydrate supplements if desired or by itself as a non-carb highly efficient energy source. Do not exceed 3 servings per day.

CAUTION!: Before using this product consult with your physician if you are using any prescription or over the counter medicine, if you are unaware of your current medical condition or if you have any pre-existing medical condition.
