

#697 BIOBASIC 

Gluten sensitive people must maintain a healthy digestive and immune system through nutrition. This formula is a combination of concentrated enzymes and herbs designed to support the digestion of Gluten (Gliadins), and Dairy (Casein) containing products. This powerful blend can assist in normalizing the inflammatory response caused by gluten and casein.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any diseases.

*This product is not intended to be used for people with Celiac Disease

DIRECTIONS FOR NUTRITIONAL USE:
1-3 capsules up to twice per day with food and water, or as directed. Drink with at least one glass of water.
