

Enhanced Arachidonic Acid was design to help you blast through strength plateaus and increase muscle growth via the inflammatory pathway. This supplement amplifies the results of exercise in natural and enhanced athletes. The harder you train the more effective this product will be at increasing strength/muscle gains.

DIRECTIONS: Take 4 capsules 30 minutes before working out on an empty stomach for best results. Do not exceed 8 capsules in one day.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product. Store in a cool dry place. Keep out of reach of children.
