Detoxification Support Packets

Dietary Supplement

For Professional Use Only

60 Packets

Detox Antiox™

This product synergistically combines powerful antioxidant nutrients and herbs including selenium, curcumin, lipoic acid, NAC and grape seed that help detoxify heavy metals and protect the body from their ravaging damages.*

LV-GB Complex™

A comprehensive formula of nutrients for aiding the liver and bile flow for the proper processing and elimination of toxins. By supporting liver and gall bladder function, LV-GB Complex aids in the digestion and elimination of fatty substances from the liver and the complete assimilation of fats and fat soluble vitamins.*

Amino-D-Tox™

This product supports detoxification by supplying sulfur containing amino acids needed for phase II liver detox. Used along with PaleoCleanse or prior to PaleoCleanse, Amino-D-Tox will help minimize uncomfortable detox symptoms.*
