Healthy sleep is essential for the repair and restoration of the body, especially the brain.

In fact, healthy sleep is now directly linked to optimal memory and cognitive function. Stress and other imbalances can interrupt sleep cycles and cause a cascade of issues.

BrainCeutix Restore is formulated using science-backed nutrients selected for their ability to help restore the brain and promote optimal function, helping you fall asleep and stay asleep so you can wake up mentally and physically energized.*

- **Cyracos Lemon Balm Extract:** Scientifically shown to address stress and support sleep and nighttime brain recovery.*
- **Alpha GPC:** A natural source of memory-boosting Choline, recommended for a variety of cognitive benefits.*
- **L-Theanine, 5-HTP and Velvet Bean:** Promote healthy sleep and other critically important brain functions.*
- **REM Sleep and Memory Support Blend:** A unique herbal blend promotes optimal REM Sleep to restore body and brain.*

BrainCeutix Restore

Wake up Mentally and Physically Energized*
