Strong bones are the foundation of a healthy body. The nutrients in these delicious soft chews are all important factors for the development and maintenance of bones and teeth.

These Calcium Soft Chews are a multitasking, bone-strengthening supplement that can help you achieve your daily nutritional requirements for healthy bones and teeth.

Calcium: is an essential nutrient needed to build and maintain strong, healthy bones and teeth.* The daily recommended requirement for women is 1300 mg.

Vitamin D-3: is an essential nutrient that enhances calcium absorption.* Enhanced absorption can maximize the body's ability to use calcium more effectively.

Vitamin K: plays a role in bone health and is an essential nutrient involved in formation of the bone matrix.*

Individually wrapped, great-tasting Calcium Soft Chews are easy to take with you on the go, so you can enjoy the many benefits of Calcium any time.
