

#831 BIOCELL

Eventa supports normal function through multiple the Nitric Oxide (NO) synthase pathways. Proper NO management is critical to reducing oxidative stress and maintaining essential cellular functions. Eventa also provides essential amino acids required for building enzymes that are necessary for nutraceutical pathways. As part of the cellular healing formulas, eventa elevates the efficacy of EPIC, MoRS, eNRG and Vista 1&2

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, or prevent any diseases.

DIRECTIONS FOR NUTRITIONAL USE:

SHAKE WELL BEFORE USE

Take 1/2 dropper up to 3X per day, or as directed
