

NATURAL BRAND™ COLON PURE™

For relief of occasional constipation (irregularity). This product generally produces bowel movement in 12 to 72 hours. Several days may be needed to establish regularity.

Daily consumption of dietary fiber can offer many health benefits and plays a crucial role in promoting the health of the colon. Dietary fiber provides bulk, eases passage and helps to speed transit time through the digestive tract. It also aids in glucose absorption and may promote healthy cholesterol levels. Experts in the field of health and nutrition agree that adults should consume 25 to 35 grams of dietary fiber every day to maintain good health.

WARNING: Take product mixed or blended with at least 8 fl. oz. of water or juice. Taking it without adequate fluid may cause product to swell and block throat or esophagus, causing choking. Don't take product if you have had throat or swallowing problems. Seek medical attention if chest pain, vomiting or difficulty in swallowing or breathing occur after taking product.

Store below 86° F (30° C).
Keep tightly closed, protect contents from humidity. Tamper evident: Do not use if imprinted inner seal is broken or missing.
