

Molecularly Distilled | Guaranteed Purity

NORDIC

NATURALS®

Wild caught. Exceptionally fresh and pure.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: 1–5 milliliters daily, with food, or as directed by your health care professional or pharmacist. Clean dropper thoroughly between each use, especially if dropper contacts baby's mouth.

Do not take if tamper-evident seal is broken or missing. Refrigerate after opening. Best if used within 3 months after opening. Keep out of the reach of children.

Warning: Consult with your physician before using this product if your baby is allergic to iodine, or uses blood thinners.
