

X001646Q67

**Suggested Use:** Take two (2) softgels per day preferably with meals or as directed by a healthcare professional.

The American Heart Association recommends healthy adults consume two servings of fatty fish per week which provides 1,750-3,500 mg DHA and EPA. This amount equates to 250-500 mg of DHA and EPA per day. Each DrFormulas' Fish Oil softgel provides 700 mg DHA and EPA.

**CAUTION:** Consult a physician before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish, and crustacean shellfish.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease
