It's time to unleash the brain like you've never imagined! We have carefully formulated this supplement, resulting in something this market has NEVER seen before. Whether its needing a mental kick in the ass to motivate you to go to the gym, or to help you find that mind muscle connection; NECROSIS is what you have been waiting for. Unlike anything on the market we wanted to not only just stimulate your BODY with the full OVERKILL ingredient panel, we took it a leap further and here it has landed. A pre workout that will stimulate your MIND in the most exhilarating way!*

NECROSIS will increase your focus, alertness, cognitive function and overall sense of well being.
