

MORE THAN A BRAND, IT'S A MOVEMENT

It's time to take your body, mind and training to a level it's never been before. You will have sustained energy for hours into & after your training. With the key ingredient of KSM-66(TM) you won't have to worry about crashing after your workouts, the only worry you will have is trying to STOP! This product is here to help you push the limits the second you start your training. With this formulation and series of potent ingredients that will increase your focus, energy and intensity there is no doubt you will OVERKILL every workout you do.*

Suggested Use: As a dietary supplement, Mix 1 scoop with 8-10 oz. of cold water. Consume 15 to 20 min before exercising. Do not take any other products that contain caffeine or any other stimulants while taking OVERKILL.

Warning: Consult with a physician prior to use if you have a medical condition. Do not exceed the recommended daily dose. Do not use if you are pregnant or nursing. Not for use by individuals under the age of 18. Do not combine with Alcohol. Keep out of reach of children. Store in a cool dry place with the lid tightly closed.
