# Phosphatidylcholine

High Concentration PC

**Dietary Supplement**

For Professional Use Only

**300 Grams**

## Supplement Facts

Serving Size 10 grams (approx. one heaping tablespoon)

Servings Per Container 30

| Amount Per Serving                           | % Daily Value |
|----------------------------------------------|---------------|
| Phosphatidylcholine                          | 4,000 mg *    |
| (from 10,000 mg of soy lecithin concentrate) |               |

\*Daily Value not established.

**Recommended Use:** As a dietary supplement, take 10 grams (approx. one heaping tablespoon) per day with a meal, or as directed by your health care practitioner.

Designs for Health's Phosphatidylcholine powder is nearly three times as potent and offers a much higher dose of phosphatidylcholine than regular lecithin.

Product may occasionally cake together. This is normal and does not affect product quality.

Formulated and distributed by:  
**Designs for Health, Inc.**
