

Systemic's Dr. Morris, Ph.D developed Epic as part of our nutri-metabolomic™ research. This is a powerful intra-cellular antioxidant which enhances the cells ability to generate glutathione and S.O.D. (Superoxide Dismutase) in response to oxidative stress. In addition, it provides novel bioflavanoids acting specifically against superoxide and peroxynitrate (ONOO) free radicals.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any diseases.

DIRECTIONS FOR NUTRITIONAL USE:

1-3 capsules up to twice per day, or as directed. Increase the amount of liquids you drink while taking this product.
