

Product Information

Glucosamine occurs naturally in the body where it plays a role in the smooth working of the joints and helps maintain connective tissues. Chondroitin is part of a large protein molecule which is found within cartilage, offering structure and elasticity. Calcium has also been incorporated as it is necessary for the normal structure of bone and teeth as well as normal nerve and muscle function, and may help the absorption of Glucosamine and Chondroitin.

Ingredients - Each Capsule Contains:

Glucosamine Sulphate 2KCL 750mg, Marine Chondroitin Sulphate 600mg 90% (providing 540mg of active Chondroitin), Calcium 50mg (6.25% RDA), Magnesium Stearate, Gelatin, Titanium Dioxide.

Suggested Daily Intake

Take one to two capsules daily as a food supplement or as directed by a healthcare professional.

EasyGest CAPSULES ✓ Easy to Swallow ✓ Easy to Absorb ✓ Easy to Digest
✓ No Product Odour ✓ No Bad Taste

SimplyBest™
