Over 30 Years of Published Research
and Clinical Support

Padma Basic is based on an all-natural, Tibetan herbal formulation that has been used for centuries. Modern scientific studies now confirm the supportive benefits of Padma Basic in cardiovascular health, immune function and normal antioxidant activity. The herbal components in Padma Basic work synergistically to help support a healthy heart and an active lifestyle. Padma Basic consists of a carefully balanced preparation of 19 dried and milled herbs and spices, together with natural camphor and calcium sulfate, designed to supplement your diet.*

- Supports Immune Function*
- Promotes Healthy Circulation*
- Promotes Antioxidant Activity*
- Promotes Cardiovascular Health*

Suggested Use: As a dietary supplement, take 1-3 capsules twice daily, or as recommended by your health care professional.
