

294 REJUV

Maintenance Formula - Hormone and endocrine support for females over forty. REJUV is uniquely crafted using the Imperial Extraction Process™ (alcohol, pH adjusted water and percolation). It is then infused with exotically processed herbs and RNA/DNA tissue factors, and synergistically blended with fruit juices for better absorption.

DIRECTIONS:

Adults: Take 1/4 to 1 dropper in the morning or as directed by health care professional.

This statement has not been has not been evaluated by FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
