

ABSOLUTELY NO FILLERS ADDED

Enzyme Defense™ contains a high potency blend of proteolytic (protein-digesting) enzymes. Proteases are utilized by the body to work in conjunction with the immune system to promote cellular repair, recovery, and a healthy inflammatory response. Formulated with L-lysine, an essential amino acid for overall support of a healthy immune system, and Vitamin D3, which has been well studied for its support of a healthy vascular system.*

Recommended Usage: Take 1 per day on an empty stomach (1/2 hour before or 2 hours after a meal). More may be taken as recommended by your healthcare practitioner.*

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
