

ABSOLUTELY NO FILLERS ADDED

The plant-based enzymes in **Flex-Mend™** are a powerful blend of both fast acting serratiopeptidase and heat specific bromelain and papain. The addition of powerful proteolytic (protein-digesting) enzymes create a synergistic effect to assist in speedy tissue and joint recovery and reduced discomfort from overexertion*

Recommended Usage: Take 2 capsules three times per day on an empty stomach (1/2 hour before or 2 hours after a meal). More may be taken as recommended by your health practitioner.

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
