Recommended Use: As a dietary supplement, take six capsules per day with meals, or as directed by your health care practitioner.

This formula is free of herbals, minerals and B-vitamins so as to avoid upregulation of phase I enzymes. This product will gently upregulate all conjugation pathways resulting in excretion of toxins without mobilizing more oxidized toxic intermediates in the body from body fat stores.†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.
