

A DIETARY SUPPLEMENT

KAPRYCIDIN-A is a scientifically-designed dietary supplement containing a unique blend of fatty acids as naturally derived from coconut oil. Best results have been obtained using KAPRYCIDIN-A in conjunction with a low-yeast diet. Manufacturing processes require a slow-release delivery system to prevent denaturation in the gastro-intestinal tract.

This product has not been evaluated by the FDA.
This product is not intended to diagnose, cure, treat or prevent any disease.
