

A DIETARY SUPPLEMENT

FCC Grade MAGNESIUM SOLUTION contains inorganic and organic salts of magnesium in deionized water. This blend minimizes the risk of gastro-intestinal tract upset which may occur following ingestion of pure inorganic salts of magnesium.

This product should be diluted prior to use. Keep out of reach of children. Cap should be tightly sealed.

*FCC-GRADE signifies that the highest laboratory standards of purity have been met for this product to insure maximal tolerance and absorption.

This product has not been evaluated by the FDA.
This product is not intended to diagnose, cure, treat, or prevent any disease.
